Marilyn E. Gordon

AMENDMENT

Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action mailed September 16, 2002, please amend the above identified application and consider Applicants' remarks as follows:

IN THE CLAIMS:

Please amend claim 4 as follows:

4. (Amended) A display device comprising a pixel portion and a driver circuit portion on a substrate, said pixel portion comprising:
- a semiconductor film comprising a plurality of channel forming regions, a plurality of impurity regions, a source region, and a drain region; and
  - a gate electrode overlapping with the channel forming regions and some of the impurity regions, with a gate insulating film interposed therebetween,
